Reading Comprehension

Read the short passage and answer the questions.

Day at the Beach

Child is going to the beach with her grandma. She can hardly wait! It is the first warm day of summer and the waves look perfect for splashing. When they arrive, the sand is warm under her feet. Child loves swimming, but her favorite part of the beach is building sandcastles. In the middle of the afternoon, Child finds a spot with perfect wet sand near the shore.

"Grandma! Can we please build a huge sandcastle right here?" asks Child.

"Of course," says grandma.

They dig and pile the wet sand until they build a tall castle with a moat. Before they leave, they watch the sun start to set over the water. Child has a wonderful day at the beach!
