Camping Trip

Alissa is going camping with her family, including her sister Amalia. She can hardly wait! It is the first camping trip of the summer and they are staying by a big lake. When they arrive, they set up a tall green tent near the water. Alissa loves camping, but her favorite part is roasting marshmallows by the fire. In the middle of the evening, her dad lights a crackling campfire.

"Dad! Can we please roast marshmallows now?" asks Alissa.

"Of course," says her dad.
