

Reading Comprehension

Read the short passage and answer the questions.

The Birthday Party

Alissa is going to a birthday party with her little brother. She can hardly wait! It is her best friend Molly's party and there will be a bounce house. When they arrive, balloons cover the front yard. Alissa loves parties, but her favorite part is always the balloon animals. In the middle of the party, a clown walks around making balloon animals for the kids.

"Can I please have a balloon dog?" asks Alissa.

"Of course," says the clown.

He twists a long balloon into a fluffy dog for her. After playing games, everyone sings happy birthday and eats chocolate cake. Alissa has a wonderful time at the party!
