*Read the short passage and answer the questions.*

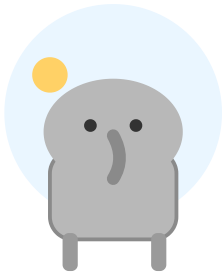

## The Zoo Trip

Child is going to the zoo with her mom. She can hardly wait! It is a sunny Saturday and the zoo just got new baby elephants. When they arrive, they hear lions roaring in the distance. Child loves all the animals, but her favorite part of the zoo is watching the seals get fed. In the middle of their visit, a zookeeper walks by carrying a bucket of fish for the seals.

"Mom! Can we please watch the seals eat?" asks Child.

"Of course," says her mom.

They walk over and watch the seals catch fish in the air. Before they leave, Child picks out a stuffed elephant from the gift shop. They have a wonderful day at the zoo!
